Reviewer's report

Title: Prevalence of tuberculosis drug resistance in 10 provinces of China

Version: 2 Date: 27 October 2008

Reviewer: Abigail Wright

Reviewer's report:
I am quite satisfied with the modifications made by the authors. I think the manuscript reads very well and sufficiently answers the questions readers may have as they arise.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
