Reviewer’s report

Title: Varicella: epidemiological aspects and vaccination coverage in Veneto Region.

Version: 2 Date: 5 August 2009

Reviewer: Andreas Sauerbrei

Reviewer’s report:

The second version of the manuscript is significantly better convenient for publication. However, some minor language corrections are needed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
