Reviewer’s report

Title: Serum Immunoglobulin G, M and A Response to Cryptosporidium parvum in Cryptosporidium-HIV Co-infected Patients

Version: 2 Date: 24 June 2009

Reviewer: Jeff Lennox

Reviewer’s report:

The authors have adequately addressed each of the suggested revisions in my previous review. The paper is now much more balanced and more accurately reflects the results of the current studies.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
