Reviewer’s report

**Title:** Hepatitis B Vaccinations Among Koreans: Results from 2005 Korea National Cancer Screening Survey

**Version:** 1  **Date:** 1 April 2009

**Reviewer:** Haruki Komatsu

Reviewer’s report:

- **Major Compulsory Revisions**
  No revision

- **Minor Essential Revisions**
  In several sentences, “HbsAg” and “HbsAb” were used. I think that “HBsAg” and “HBsAb” are more common.

- **Discretionary Revisions**
  It is better to discuss the cost-benefits of HBV vaccination in adults. The association between HBV vaccination and treatment of liver cancer in cost-effectiveness is important for public health.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I declare that I have no competing interests.
