Emeritus Medical Scientist,

Sub: Comments on the revised paper entitled “Acute viral hepatitis morbidity and mortality……data”.

Dear Dr. Good,

Thank you very much for your mail enclosing the above-mentioned original and revised versions of the paper for my further opinion on the suitability of paper for publication in the BMC Infectious Diseases. I have gone through the revised paper. I wish to mention that authors have revised the paper on the basis of all the comments indicated to them. Necessary corrections and changes have also been incorporated in the text portion of the paper.

The revised paper may be accepted for publication in the BMC Infectious Diseases.

With kind regards

Yours Sincerely,

(N S Murthy)

To,

Dr J. A. Le Good
