Title: MRCP compared to diagnostic ERCP for the diagnosis of biliary obstruction: a systematic review

Version: 3 Date: 22 June 2006

Reviewer: C. Mel Wilcox

Reviewer's report:

General

---------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

---------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

---------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
