Reviewer’s report

Title: Non-replication of an association of CTNNBL1 polymorphisms and obesity in a population of Central European ancestry

Version: 2 Date: 2 February 2009

Reviewer: Harald Staiger

Reviewer’s report:

The authors adequately responded to my concerns and improved the manuscript. I have no further comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
