Reviewer's report

Title: An investigation of ribosomal protein L10 gene in autism spectrum disorders

Version: 2 Date: 24 December 2008

Reviewer: Dai Zhang

Reviewer's report:

I believe that the authors have answered all of my questions and modified the text accordingly I think it’s sufficient to allow their manuscript to be published. The other selections were as follow.

Reviewer's report

-----------------

- Discretionary Revisions Yes.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
