Reviewer's report

Title: Genomewide Association Study for Onset Age in Parkinson Disease

Version: 2 Date: 14 August 2009

Reviewer: Rejko Krüger

Reviewer's report:

The authors adequately addressed the reviewers comments. Missing information on genotyping results were added, vague statements on statistical procedure were clarified and the discussion section was largely improved.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
