Reviewer's report

Title: Genetic testing of newborns for type 1 diabetes susceptibility: a prospective cohort study on effects on maternal mental health

Version: 3 Date: 12 May 2010

Reviewer: Barbro Lernmark

Reviewer's report:

Discretionary Revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
