Reviewer’s report

Title: Clinical and Molecular Characterization of Ataxia with Oculomotor Apraxia Patients in Saudi Arabia

Version: 4 Date: 15 December 2010

Reviewer: Vinodh Narayanan

Reviewer’s report:

Some typographical errors, and sentence construction errors/punctuation errors remain, and should be corrected.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
