Reviewer's report

Title: A single nucleotide polymorphism in TRAF1/C5 locus is associated with rheumatoid arthritis in a Han Chinese population

Version: 4 Date: 17 July 2010

Reviewer: Rogelio J Palomino-Morales

Reviewer's report:

Authors have modified the manuscript properly and I do not have any other suggestion.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
