Reviewer's report

Title: Molecular epidemiology of DFNB1 deafness in France

Version: 2 Date: 12 February 2004

Reviewer: Ignacio del Castillo

Reviewer's report:

The revised manuscript by Roux et al. incorporates all the requested changes. The authors have answered all the comments in my previous report. I recommend to accept this revised version.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
