Reviewer's report

Title: The SDH Mutation Database. An online resource for succinate dehydrogenase sequence variants involved in pheochromocytoma and paraganglioma.

Version: 5 Date: 4 October 2005

Reviewer: George P Patrinos

Reviewer's report:

General

The revised article by Bayley and colleagues on the SDH mutation database is improved compared to the previous version. The authors should only update the reference for the LOVD in Hum Mutat (No. 10).

What next?: Accept after discretionary revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
