Reviewer's report

Title: Genomic Screen for Loci Associated with tobacco usage in Mission Indians

Version: 3 Date: 17 November 2005

Reviewer: Mary-Anne Enoch

Reviewer's report:

General

The authors have responded satisfactorily to the reviewers' comments and the manuscript has been improved.

-----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
