Title: Genome wide association for substance dependence: convergent results from epidemiologic and research volunteer samples

Version: 2 Date: 2 December 2008

Reviewer: Ian Everall

Reviewer's report:

Thank you for asking me to reconsider the revised manuscript. I have carefully read both the revised manuscript and the covering letter provided by the author. I am now satisfied that the authors have addressed my concerns and can support recommending the manuscript for publication in your journal.

Thanks Ian
