Reviewer's report

Title: Screening for Latent Tuberculosis Infection in Haemodialysis Patients

Version: 1 Date: 23 June 2009

Reviewer: Fusun Eyuboglu

Reviewer's report:

Minor Essential Revisions are needed. The language of the article should be reviewed by a native English reviewer. There are several grammatical mistakes, wrong writings (e.g., independent?- independent).

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
