Reviewer's report

**Title:** Prevalence of low glomerular filtration rate, proteinuria and associated risk factors in North India using Cockcroft-Gault and Modification of Diet in Renal Disease equation: an observational, cross-sectional study.

**Version:** 2  **Date:** 22 December 2008

**Reviewer:** Roberto Minutolo

**Reviewer's report:**

The paper is greatly improved. I believe that in the present form the paper is suitable for publication. The only minor revision I suggest is to uniform X- and Y-scale in the two panels of figure 2. This will make more immediate readability of figure.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
