Reviewer's report

Title: Predicting cardiovascular disease morbidity and mortality in chronic kidney disease in Spain. The rationale and design of NEFRONA: a prospective, multicenter, observational cohort study.

Version: 2 Date: 27 March 2010

Reviewer: Kevin Harris

Reviewer's report:

The authors have addressed the points I made in my original review

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests
