Reviewer’s report

Title: Serum C-reactive protein and thioredoxin levels in subjects with mildly reduced glomerular filtration rate

Version: 1 Date: 21 October 2009

Reviewer: Michal Mysliwiec

Reviewer's report:

I suggest clarification of the method of recruiting subjects to the study (consecutive?). How many refused to participate?. I would be of interest to examine microalbuminuria in the future study.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
