Reviewer's report

Title: Uromodulin Concentrations are not Associated with Incident CKD Among Persons with Coronary Artery Disease

Version: 2 Date: 30 December 2010

Reviewer: Karl Lhotta

Reviewer's report:

The authors responded in a very satisfactory way to all questions. The requested additional data are provided. I have no further comments.

Spelling error: Table 3: statins use (not satins use)

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
