Reviewer's report

Title: Serum vaspin levels are reduced in Japanese chronic hemodialysis patients

Version: 2 Date: 18 June 2012

Reviewer: Susan Kralisch-Jäcklein

Reviewer's report:

The authors presented a very convincing revised manuscript. From my point of view I advice the manuscript without further changes.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
