Reviewer’s report

Title: U.S. Centers for Disease Control and Prevention Launches New Chronic Kidney Disease Surveillance System Website.

Version: 1 Date: 21 June 2013

Reviewer: Rulan Parekh

Reviewer’s report:

The authors present a concise and well thought out commentary on the CDC initiative for CKD surveillance.
There are no major issues.

- Minor Revisions

The authors should also indicate the "Choosing Wisely" campaign by the ABIM in their references to additional sources for practitioners.

The authors should consider commenting on international CKD surveillance practices if in place to understand the differences compared to the US model.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
