Reviewer's report

Title: Relationship between Sclerostin and Cardiovascular Calcification in Hemodialysis Patients: A cross-sectional study

Version: 1 Date: 6 June 2013

Reviewer: David Goldsmith

Reviewer's report:

Major Compulsory Revision

These findings are of some definite interest. But I would like independent corroboration of the statistical handling of the CAC and AVC data please, as so much of what they conclude depends on this.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
