Reviewer's report

Title: GSTM1*0/0 genotype and combined GSTM1*0/GSTA1*A genotype are associated with risk of cardiovascular death among hemodialysis patients

Version: 2 Date: 28 June 2013

Reviewer: Nora Franceschini

Reviewer's report:

Minor revisions:
1. Adjust for multiple testing.
2. Tables 2, 3 and 4, include number of individuals included in analyses for each models.
3. Include definition of outcomes in methods: how information on cause-specific mortality was obtained?
4. Include a discussion on multiple testing.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
