Reviewer's report

**Title:** Unilateral hypoplastic kidney - a novel highly penetrant feature of familial juvenile hyperuricaemic nephropathy

**Version:** 2  
**Date:** 6 March 2014

**Reviewer:** Karl Lhotta

**Reviewer's report:**

I do have no further comment but still believe that an ultrasound image would be very informative. It could be provided in the supplementary data.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
