Reviewer's report

Title: Properdin has an ascendancy over factor H regulation in complement-mediated renal tubular damage

Version: 5 Date: 14 March 2014

Reviewer: Neil Sheerin

Reviewer's report:

The manuscript has been improved by the changes that have been made and should be considered for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
