Reviewer's report

Title: Corticosteroid and antiviral therapy for Bell palsy: A network meta-analyses

Version: 2 Date: 28 October 2010

Reviewer: Pauline Lockhart

Reviewer's report:

I am happy that this revised manuscript now contains up to date literature searching and addresses the results of the major RCTs and meta-analyses in this area: this is now a useful addition to the evidence base for this condition. Congratulations on all your hard work.
best wishes
Pauline Lockhart

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
