Reviewer's report

Title: Towards a definition of refractory neuropathic pain for epidemiological research. An international Delphi survey of experts.

Version: 1 Date: 19 September 2011

Reviewer: Charles Argoff

Reviewer's report:

How did you choose your panel members?
How was their expertise in this area determined?
Can you comment upon how useful you feel the current results are- what is the purpose of this- there has been no validation of your hypotheses.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
