Title: Development of a Short Form and Scoring Algorithm from the Validated Actionable Bladder Symptom Screening Tool

Version: 5 Date: 8 May 2013

Reviewer: Clare Fowler

Reviewer's report:

The language describing the methods has been made more accessible to a general reader and the essential message comes across.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I have received honoraria for speaking from Astellas, Allergan and Wellspect. I do not stand to gain in anyway from the publication of this paper.
