Reviewer's report

**Title:** Relevance of novel inflammatory markers in stroke-induced immunosuppression

**Version:** 1  **Date:** 12 November 2013

**Reviewer:** Antonino Tuttolomondo

**Reviewer's report:**

minor essential revision

Interesting and well written study

Only minor concerns

Please add on discussion section some comments about the different degree of inflammatory activation in relation to stroke subtype and please cite on this context these three references:

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
