Reviewer's report

Title: Admission C - reactive protein after Acute Ischemic Stroke is associated with Stroke Severity and Mortality: The Bergen Stroke Study.

Version: 5  Date: 22 March 2009

Reviewer: Tunde T Magyar

Reviewer's report:

Authors rewrited the article according to suggesting of their reviewers. In revision they answered the questions, corrected the mistakes and discussed the results circumspectly.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
