Reviewer's report

Title: Birth registration rates in New South Wales

Version: 1 Date: 12 August 2012

Reviewer: Colin Binns

Reviewer's report:

This is an interesting paper on a topic that I have never previously encountered. It is a topic of importance to those involved in data collection. The comparisons with other countries and other states of Australia were of interest.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
