Title: Women with disability: the experience of maternity care during pregnancy, labour and birth and the postnatal period

Version: 2 Date: 22 July 2013

Reviewer: Virginia Schmied

Reviewer’s report:

This paper is informative and well written. I was not involved in the first review but I note there were only minimal changes required. I think the paper is worthy of publication and I certainly would refer to this in my work.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
