Reviewer’s report

Title: The emergence of maternal health as a political priority in Madhya Pradesh, India: a qualitative study

Version: 2 Date: 31 August 2013

Reviewer: Karen Hardee

Reviewer’s report:

Thank you for the chance to re-review this manuscript. The additional explanation of respondents, the use of more quotes from a variety of respondents and the link with the national level all strengthen the paper.

It reads very well now.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no competing interests.
