Reviewer’s report

Title: Why do women present late for antenatal care? A qualitative interview study

Version: 2
Date: 6 May 2014

Reviewer: Katrien Beeckman

Reviewer’s report:

The authors wrote an interesting paper that reads very well

The authors provided an answer to the points raised in the previous reviewers stage. I have no further questions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Declaration of competing interests:

'I declare that I have no competing interests'
