Title: The Canadian Birth Place Study: Examining maternity provider attitudes and inter-professional conflict around planned home birth

Version: 2 Date: 30 June 2014

Reviewer: Judith Fullerton

Reviewer’s report:

The authors have attended to every concern that I expressed in the first review; and I find each of their responses articulate, expressive and to the point. I have no further concerns, and recommend publication without further amendment.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
