Reviewer’s report:

General
I have read through the amendments to this paper and I can confirm that I am happy that the revisions (both compulsory and discretionary) have now been made to my satisfaction.

------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
