Reviewer's report

**Title:** Long-term effectiveness and costs of a brief self-management intervention in women with pregnancy-related low back pain after delivery

**Version:** 2 **Date:** 11 April 2008

**Reviewer:** Jeremy Fairbank

**Reviewer's report:**

Thank you for asking me to review this paper again. The improvements are significant and my points have been answered. The discussion is wideranging and rather long, but appropriate. There are some points of english that need subediting, but i have no further comments to make on the text.

**Level of interest:** An article of importance in its field

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
