Reviewer’s report

**Title:** In vitro and in vivo anticancer properties of a Calcarea carbonica derivative complex (M8) treatment in a murine melanoma model

**Version:** 2  **Date:** 27 January 2010

**Reviewer:** Haili Qian

**Reviewer’s report:**

The author has made effort to modify the manuscript and the manuscript quality has been greatly improved. The manuscript was modified based on the questions in the review. For the first question, they give the reason why they focused on the lung inhalation model. The manuscript is readily acceptable for publication.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests.
