Reviewer's report

Title: CD133 expression in chemo-resistant Ewing sarcoma cells

Version: 2 Date: 20 February 2010

Reviewer: Nicolo Riggi

Reviewer's report:

The authors have presentend convincing arguments in response to my previous review, therefore I estimate that this work could be accepted for publication without further revisions.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
