Reviewer's report

Title: Grp78 promotes the invasion of hepatocellular carcinoma

Version: 2 Date: 19 November 2009

Reviewer: Guo Fu

Reviewer's report:

The authors have answered my questions and made the according corrections. I am fine with the contents of the manuscript. There are some minor editing and typing errors in the text and figures, which I believe the authors can correct by themselves.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
