Reviewer's report

Title: The siRNA targeted to mdr1b in vivo sensitizes murine lymphosarcoma to chemotherapy

Version: 2 Date: 6 April 2010

Reviewer: Achim Aigner

Reviewer's report:

The authors have sufficiently addressed the issues raised by this reviewer. This includes the addition of a new figure (in answer of the major point 3). It is now presented in the rebuttal letter but also deserves been shown in the paper.

This reviewer suggests publication of the paper in this revised form, including the new figure.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
