Reviewer's report

Title: Ectopic primary type A thymoma located in two thoracic vertebras: a case report

Version: 4 Date: 6 April 2010

Reviewer: Chin-Chen Pan

Reviewer's report:

Need language correction. For example, in page 8, last 5th line, the authors wrote "the tumor considered primitive", it should be "the tumor considered primary".

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
