Reviewer's report

Title: Argonaute proteins: potential biomarkers for human colon cancer

Version: 3 Date: 23 November 2009

Reviewer: Hassan Brim

Reviewer's report:

In this revised version, the authors have addressed the reviewers comments and suggestions. As such, the article in its present form can be accepted for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
