Reviewer's report

Title: Efficacy of c-Met inhibitor for advanced prostate cancer

Version: 1 Date: 9 July 2010

Reviewer: Bo Lu

Reviewer's report:

Very interesting findings although the followings may improve this manuscript:

1. Discuss why c-met inhibition is dependent on hormone status.
2. Provide the mouse data, showing c-met inhibitors has no or less effects in non-castrated animals.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
