Reviewer's report

Title: Ccp1, a FGF2 downstream gene, regulates cell proliferation and apoptosis in neuroblastoma cells

Version: 2 Date: 20 November 2010

Reviewer: Flora M Vaccarino

Reviewer's report:

The authors have answered most of my questions/comments

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
