Reviewer's report

Title: Adjuvant therapy for locally advanced renal cell cancer: A systematic review with meta-analysis

Version: 1 Date: 17 November 2010

Reviewer: Masahiro Nozawa

Reviewer's report:

Minor Essential Revisions:
1) The validity at first should be mentioned for pooling and analyzing patients treated with different therapies. The positive result if existing may be weakened by totalizing data from different therapies.
2) It should be mentioned that some articles included patients with local stage T3 or T4 and others from T1 to T4.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
