Reviewer’s report

Title: The synthetic peptide P111-136 derived from the C-terminal domain of heparin affin regulatory peptide inhibits tumour growth of prostate cancer PC-3 cells

Version: 1 Date: 31 March 2011

Reviewer: Guanghui H Jin

Reviewer’s report:

This is a revised manuscript wherein the authors examine whether the PTN peptide P111-136 inhibits tumour growth of prostate cancer PC-3 cells. The revised manuscript contains additional explanation and data that help support authors hypothesis.

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
