Reviewer's report

**Title:** Oncolytic Targeting of Androgen-sensitive Prostate Tumor by the Respiratory Syncytial Virus (RSV): Consequences of Deficient Interferon-dependent Anti-viral Defense

**Version:** 3  **Date:** 24 December 2010

**Reviewer:** Hideaki Miyake

**Reviewer's report:**

The authors have assessed the majority of my comments except for animal studies, which could not be carried out due to the time-frame for revision in this journal.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.
